

Northeast Harbor Sailing School
 2010 Eastern Bemis Regatta
 Thursday, July 8th, 2010

Series Summary

Five teams sailed in the Eastern Bemis Regatta, each representing a club from the Eastern Division of the Northeast Sailing Association. After a foggy morning with no breeze, the fog lifted and it was a beautiful afternoon for racing. Nine races were completed in a westerly 3-10 knots. The first three races were held just outside the mouth of Somes Sound in solid breeze, but when the wind died in the middle of the 4th race, the course was moved to the other side of Greenings Island. The course for all nine races was a windward-leeward with the start/finish in the middle. No protests were filed. Congratulations to Castine Yacht Club and the Northeast Harbor Sailing School who finished first and second respectively. The two teams will be traveling to Southport Yacht Club on July 23rd to represent the Eastern Division in the Bemis Championship Regatta. Go DEJSA!
